103 Russell Street
Clarksville 23927

Phone: 434-374-2560

We are a full service floating dock builder serving the Bugg's Island / Kerr lake and Lake Gaston area. We are located in the town of Clarksville, Virginia on the beautiful shores of Bugg's Island Lake. We have a 12,000 square foot modern manufacturing facility. A & K Dock Service is a quality and customer service driven company designed to meet and exceed all of your docking needs. We are a US Army Corps of Engineers approved dock builder and can help provide you with information on the dock permitting process. We have complete dock systems on display for you to help with your decision making in finding the right type of dock for your needs. We are always willing to help answer any questions that you may have about finding the right dock for you.
