Since day one, each Waffle House® restaurant has provided guests with a unique and comfortable dining experience. At every restaurant, the bright "Yellow Sign" greets customers like an old friend, the jukebox plays a variety of the now famous Waffle House songs and associates give customers a heartfelt greeting as they walk through the door. In addition, each restaurant is open 24 hours a day, 365 days of the year, inspiring urban myths such as "Waffle House doors have no locks."
