

Dabney Drive Animal Hospital

1 South Cooper Drive
Henderson 27536

Phone: 252.430.8008

Dabney Drive Animal Hospital provides full-service care for the life of your four-legged companion. From puppy or kitten to the aging senior dog or cat, we will ensure that your pet receives modern preventative care, wellness counseling, and appropriate screening tests. If the unthinkable happens and your pet is injured or becomes critically ill, we have the facilities and equipment to provide for their needs. We offer preventative and wellness services including vaccinations, annual examinations, obesity prevention, early disease detection, and annual screening tests. Our hospital is equipped to treat conditions from the common such as allergic skin disease, ear infections, and dental disease to the chronic or complex such as diabetes, heart disease, liver disease, and chronic urinary or intestinal conditions.
