

# Kerr Lake Country Club

---

600 Hedrick Drive  
Henderson 27537

Phone: (252) 492-1895  
Fax: 252-492-3122

Established in 1965, Kerr Lake Country Club is one of the most interesting and challenging golf courses in the area. Our mission is to create an atmosphere of recreation, fun and camaraderie for our members and guest. We accomplish this maintaining high quality standards and facilities. Our staff offers service that anticipates and satisfies with belief that when members and guests are treated properly the club will be at its best. Located north of Henderson, just off of interstate 85, the scenery of this Ricci Boni designed course has more than once been accused of breaking your concentration. If you are a first timer, slow down and enjoy the views. The slow rolling hills, tall pines and the legendary "white squirrels" will keep you coming back for more.
