The Colonial Theatre has a very special place in the history of our community and in the lives of many of our residents. It has weathered many storms and economic crises, as well as years of neglect at various times throughout its history.

The Colonial is one of the few remaining vaudeville theatres of its era in Virginia and is listed in the National Register of Historic Places. The Colonial Center is three stories tall. The first floor with its beautiful two lobbies also contains a Welcome Center. The second floor serves as an art gallery and offices, and the third floor has a fantastic view of downtown South Hill from the large Ball Room. The auditorium includes the balcony seats, totaling four hundred. The stage, with its three-story fly house will welcome a variety of entertainment. Colonial Center Events Schedule:
