We have been serving Carolina-style barbecue since 1946 in Henderson, NC. We slow cook only top lean pork shoulders until they are meltingly tender, mixed with a splash of our own tasty barbecue sauce, and good southern hospitality. Come in and join us where we will treat you like family. Let us cater your next party or corporate event! All of our food is made fresh daily. Serving BBQ, Stew, Seafood, Baked or Fried Chicken and many other choices!
