South Hill 23970

Phone: 434-447-3383  
Fax: 434-447-6776

Ratcliff Construction has been a local, family-owned business since 1996. We take great pride in making your septic needs and repairs as easy as possible. Our septic tank cleaning, repair, and installation services bring us new and repeat business every year. We can perform service on most systems, including gravity pump and alternative systems. We also provide residential and commercial septic system services. Not only do we perform repairs, but we also maintain your system to help prevent future damage. We charge fair and competitive prices, so we can pass our savings on to our customers.

Being on time and providing the best service possible is as important to us as it is to you. We service the entire surrounding area of South Hill, Virginia. Contact us for all your septic needs.

Hours of Service  
8:00am to 5:00pm, Monday through Friday  
We also have emergency services available.
