

Sears Heating and Cooling Sales, Service and Repair

Phone: (888) 386-1142

Call today for your FREE consultation on a new Kenmore® or Carrier® system from Sears. We offer a wide variety of options including central air, furnaces, boilers and heat pumps. As well as accessories to help improve the air quality in your home and boost your system's performance. We also offer Energy Star® rated heating and cooling systems that may help reduce high energy costs (energy efficiency may vary depending on your home and climate).
