

# Danny's Lawn Service

---

Jackson

Phone: (252) 532-4493

We are committed to providing the highest level of service to our customers, and we strive to provide quality at reasonable rates in order to gain your continued business and referrals. We always keep in mind that it is you who is our boss, and we're not happy until you're happy with our work.

If your aim is to get a lawn that is the envy of your neighborhood and the talk of the town, you've come to the right place. We're lawn care specialists who are perfectionists, and we never settle for anything less than providing the best service to our customers.
