We offer lots of items to choose from! All of our BBQ, cole slaw, and chili is homemade from old family recipes. We have 28 different flavors of Hershey's Premium ice cream, with over 30 different toppings from our self serve toppings bar! In addition to that, we offer Hershey's soft serve ice cream in both chocolate & vanilla. Nope...not done yet! We also have smoothies, shakes, sundaes, banana splits....use your imagination! Feel free to create your own! Oh, and let's not forget good ol' hotdogs, varieties of chips, etc!
