Keats Point Farm offers everything you need for a day on the farm to a weeklong farm stay vacation. We can customize your package for a birthday party, field trip, corporate picnic, social gathering, or family vacation. You can have access to the lake and various lake activities during your visit with us. You can enjoy the rustic lifestyle of an old log cabin. View the interior of an old tier tobacco barn and the interior of a circa 1900 barn that housed the family mules and Bessie, the milk cow. Keats Point Farm is located on the Virginia/North Carolina state line, bordered on three sides by Kerr Lake. Dating back to the 1850s, our farm is now in the seventh generation of family ownership.
