

Occoneechee State Park

1192 Occoneechee Park Rd.
Clarksville

Operated by the state of Virginia, Occoneechee State Park facilities include cabins, campsites, an equestrian campground, picnic shelters, an amphitheater, a playground, boat ramps, and a private concession offering boat rentals and snacks. Occoneechee Marina offers a fuel dock and boat slips with water and electric service for annual rentals. Six slips are available for rent to overnight camping and cabin guests. The park also has 20 miles of trails for hiking, biking and horseback riding. Three boat ramps open the door to 48,000 acres of fishing, boating and aquatic recreation. Forty-eight campsites are available for tent and RV campers. The park also has 13 cabins that allow guests to enjoy the comforts of home as well as beautiful views of the lake. An equestrian campground with 11 sites and 11 covered horse stalls offers easy access to the park's trail system.
